# Flipgrid for Oral Assessment and Practice

Language Resource Center
April 23rd, 2020

- Solicit an oral response to a prompt?
- Conduct collaborative storytelling?
- Assess your students' grammar / vocabulary?

What is Flipgrid?

- Asynchronous online communication platform
- Instructors create "grids" (message boards where instructors post "topics")
- "Topics" are prompts to which students reply with video responses.

Affordances of Flipgrid

- Facilitates asynchronous class discussion
- Facilitates asynchronous oral assessments

Important to know

- Completely Free
- Log in with your Lionmail (Google) Account
    - Be mindful of privacy
- Works in a browser on a Windows/MacOS PC
- Works in an app on mobile devices

Benefits of Flipgrid

-   Easy to record and share videos

-   Easy to comment / moderate / provide feedback

-   Prompts organized by "topic"

How do I set up a class grid?

How do I record a response?

Questions?
