

The Poetry of Language Learning

João Nemi Neto (LAIC) and Simon Zuberek (LRC)

March 06, 2019

Why we need poetry

Your eyes are like...eyes. Your lips are like... well... they're like lips...

***We would love to keep talking but it's
getting a literate...***

Puns are bad but poetry is *verse*.

What is Poetry?

life
美
emotion expression
beautiful selfreferential
different vision
it's an art
prose in verse
expression
básnění

Post-its (Analog)

- 4 color post-its
- Each color represents a category: Nature, Action, Sense, Quality.
- With a black sharpie, share one word you associate with each category.
- Stick your post-its on the white board.

Post-its (Digital)

- Look for Post-it (R) Plus in your app marketplace.
- Enable handwriting recognition.
- Press the "plus" icon at the bottom of the screen.
- Press the "camera" icon to the left and photograph the board.
- Create your virtual board.
- Share the tiles with the "share" icon in the upper right-hand corner of the screen.
- Select "ZIP archive with images" and then select your email client from the menu to compose an email.
- Open your inbox, download and unzip the attachment.

padlet

Padlet

- Get into 5 groups
- bit.ly/2020poetry
- Compose your poems using the saved tiles.

"Once I start writing a poem, I can't stop."

Finish each other's poems

- Remain in your groups
- Draw a group whose poem you'll be completing.
- Complete it by adding at least one tile.

Questions? Comments?

Great ideas

I like all three tools very much

Thank you!
